WANT TO BUILD IN SUBWAY.

Capitalists Desire to Operate Under-
ground Railways in New York.

New York, June 13.—Thomas F.
Ryan, Peter Weldner, and Edward J.
Berwynd are, according to the Herald,
the three capitalists who compose the
mysterious Metropolitan syndicate
which is to bid for the construction
of the extensive subways laid out by
the Rapid Transit committee. Con-
siderable secrecy has heretofore sur-
rounded the identity of the men com-
posing the syndicate whose operations
were to have been directed by Sec-
retary of the Navy Paul Morton, have
now taken up the chairmanship of the
Equitable Life Assurance society.

It is further asserted by the Herald
that the syndicate will enter the Rapid
Transit field in this city with a com-
bined capital of \$100,000,000, each
member contributing a third of that
amount. Mr. Ryan and Mr. Berwynd
are well known in New York's finan-
cial affairs and Mr. Weldner is one of
the wealthiest men in Philadelphia.
The routes for which the syndicate
will bid have already been laid down
by the Rapid Transit committee, and
it is estimated that the total cost of
building at the proposed lines will
reach \$150,000,000. The contracts will
probably not be let before November.

A Thousand Dollars' Worth of Good.

"I have been afflicted with kidney
and bladder trouble for years, passing
gravel or stones with excruciating
pain," says A. H. Thurnes, a well
known coal operator of Buffalo, O. "I
got no relief from medicine until I be-
gan taking Foley's Kidney Cure; then
the result was surprising. A few doses
started the brick-dust-like substance
and now I have no pain across my kid-
neys and I feel like a new man. It has
done me \$1,000 worth of good." Foley's
Kidney Cure will cure every form of
kidney or bladder disease. J. W. Mc-
Collum & Co.

Accidentally Shot by Girl.

New York, June 13.—In a shooting
gallery at Coney Island early today
Sylvia Steaman, while chatting with a

through his face and he will probably
die from the wound. The young wo-
man was held by the police on a tech-
nical charge. Much excitement was
caused among the crowd about the
gallery.

Deep tearing or wrenching pains, oc-
casioned by getting wet through, worse

iment. Oscar Olsson, Gibson City, Ill.,
writes, Feb. 10, 1902: "A year ago I
was troubled with a pain in my back.

over. One bottle of Ballard's Snow
Liniment cured me." Sold by W. M.
Johnson.

Smallpox Raging in Chile.

Junin, a little nitrate port situated

alarm. The inhabitants are fleeing.

Apalachicola, Fla., June 14.—Ande-
son Wims, a negro, killed a large
black bear near Sopschoppey, Fla. Mr.
Bruin weighed gross 302 pounds. His
weight had no doubt been increased
as he had breakfasted on a 65-pound
hog. Anderson says he and several
others were looking for the bear in
the swamp which is near a bay and
while in the swamp he espied the ani-
mal approaching him not more than
30 feet distant. He discharged two

member of the party came up and
fired five pistol balls into the dying
bear, which was soon relieved of its
skin and its flesh divided among those
in the party.
